

Domestic Travel with Philippine Airlines (PAL) – Excess Baggage Policy

Important Note: Philippine Airlines domestic free check-in luggage allowance is 15Kg/33lbs

Check-in Baggage

Philippine Airlines allows 15Kg (or 33lbs) of free checked in baggage. Excess Baggage is charged at Php168.00 (about \$4.00 USD) per kilo (2.2 lbs).

Hand-carried Bags

Philippine Airlines allows 7kg (or 15lbs) of hand carried baggage (one piece), the size of which shall not exceed 45 inches or 115cm (length + width + height). Ladies hand-bags and laptops are waived as additional.

Note: Obviously over-sized or overweight hand baggage will be weighed and checked in if over the 7Kg/15lb allowance. This would then be added to your total checked in weight.

Sports Plus Card (SPC) Excess Baggage Allowance

If you are planning on traveling with more than 15kg/33lbs per person of checked baggage, traveling with a group (and wish to use group check-in facilities), or a frequent traveler to the Philippines, you may wish to avail this to help keep excess baggage charges at a minimum.

For a charge of US\$ 80.00 per person we will issue you with a PAL 'Sports Plus Card' that will allow you an additional 20kg (or 44lbs) of checked in baggage per person for a total of 35kg (or 77lbs). We need the required information mentioned below no later than 30 days prior to arrival. Any PAL SPC paperwork received less than 30 days before arrival will be charged an additional processing fee of \$20.00.

The card you will be issued will be valid for one year, so it will cover both outward and return legs of your trip to Atlantis and any other PAL domestic flights within the year period. Please note that this benefit is for domestic flights only.

To obtain the additional domestic allowance, follow these steps:

- 1) Go to https://www.mabuhaymiles.com/home/online_registration.jsp and sign up for Mabuhay Miles (the PAL frequent flyer program) – this is free
- 2) Email your nine digit Mabuhay Miles membership number to us at: reservations@atlantishotel.com
- 3) We will email you a scanned receipt of your Sports Plus card within two weeks. Print this out and present it at the domestic check-in counter to avail of the benefits
- 4) If available, on arrival at any of our locations you will be issued your Sports Plus Kit that you can use on the return journey and subsequent PAL domestic flights for one year. Otherwise the kit will be mailed to you by Philippine Airlines.
- 5) \$80.00 USD (plus any processing fee) will be added to you personal bill and can be paid at check-out.

* The PAL Sports Plus Card can only be obtained at a PAL ticketing office. As a result, we offer this as a service to our clients and we cannot be responsible for program changes or rate increases.
